Important Information

Sources: Amundi and Polen Capital. Unless otherwise stated, all information is as of **28 February 2022**. This document contains information about Amundi Funds Polen Capital Global Growth (the "Fund"), a sub-fund of Amundi Funds, an undertaking for collective investment in transferable securities existing under Part I of the Luxembourg law of 17 December 2010, organised as a société d'investissement à capital variable and registered with the Luxembourg Trade and Companies Register under number B 68.806 and having its registered office at 5, allée Scheffer, L-2520 Luxembourg. This document is provided for information purposes only and does not constitute an offer or solicitation to purchase or sell Shares in the Fund.

The Singapore Prospectus and the Product Highlights Sheet of the Fund are available and may be obtained from the Singapore Representative, Amundi Singapore Limited (Company Registration No. 198900774E) or the Fund's authorised distributors. Investors should read the relevant Singapore Prospectus and the Product Highlights Sheet before deciding to invest in the Fund.

Past performance and any forecasts made are not indicative of future performance of the Fund. Any opinion or view presented is subject to change without notice. The information on this document is intended for general circulation without taking into account the specific investment objectives, financial situation or particular needs of any particular investor. An investor may wish to seek advice from a financial adviser regarding the suitability of the Fund, taking into account the specific investment objectives, financial situation or particular needs of any person in receipt of the recommendation, before making a commitment to purchase Shares in the Fund. In the event an investor chooses not to do so, the investor should consider whether the Fund is suitable for him. Some of the information contained herein has been obtained from sources believed to be reliable but has not been independently verified, although Amundi and its affiliated companies believe it to be fair and not misleading.

As the Fund may invest in financial derivatives as part of the investment strategy, it will be subject to risks associated with such investments. Additional risk factors are described in the Singapore Prospectus. Investments in the Fund are subject to investment risks, including the possible loss of the principal amount invested. Value of the Shares in the Fund and the income accruing to the Shares, if any, may fall or rise. It should not be assumed that investments in the securities identified were or will always be profitable. We do not accept any liability whatsoever whether direct or indirect that may arise from the use of information contained in this document. This document is not intended for citizens or residents of the United States of America or to any «U.S. Person», as this term is defined in SEC Regulation S under the U.S. Securities Act of 1933 and in the Prospectus of the Fund. The information contained in this document is deemed accurate as at **28 February 2022**. This advertisement or publication has not been reviewed by the Monetary Authority of Singapore.
